PRESIDENT'S ADDRESS

Greetings DC Family,

The 2025–2026 season was a year filled with both tremendous highs and difficult challenges. Through every obstacle and every success, the Devonshire Colts family once again demonstrated why our club continues to grow stronger both on and off the pitch. The commitment shown by our players, coaches, parents, volunteers, and supporters throughout the season was a true reflection of the values we proudly stand for — Sportsmanship, Unity, and Character.

This year marked another important step forward for the club with the formation of a new partnership with our Devonshire neighbours, Wolves Sports Club. Together, we launched the DC Wolves U9 team, creating valuable opportunities for player development while strengthening community ties between two grassroots clubs within Devonshire. It was inspiring to see young players benefit from this collaboration both socially and competitively, and we look forward to building on this partnership in the future.

The 2025–2026 netball season was a period of growth, resilience, and development for the Devonshire Diamonds. The team moved up to the U18–Senior Division, which proved to be a challenging transition that the players embraced with determination. The season began strongly, with several wins and many closely contested matches, highlighting the team's teamwork, confidence, and competitive spirit.

The second half of the season was marked by profound tragedy with the loss of a teammate in a fatal accident, deeply affecting both players and coaches. Despite this heartbreak, the team demonstrated remarkable unity, courage, and support for one another as they completed the season in the player's honor. Overall, DC Diamonds showed clear improvements in skill, maturity, and competitiveness, earning respect across the league. Individual successes included All-Star selections and opportunities to train with the U18 National Squad. Looking ahead, the focus will be on rebuilding and increasing player numbers while continuing development on and off the court, as the Devonshire Diamonds prepare for a positive and successful 2026–2027 season.

I would also like to recognize one of the club's most dedicated servants, Coach Fleck, who will be stepping down and retiring from coaching this year. Over the years, Coach Fleck has played an instrumental role in shaping and mentoring countless young men and women within our programme. His passion, leadership, and unwavering commitment to youth development have left a lasting legacy at Devonshire Colts. We are sincerely grateful for his years of service and the positive impact he has made on so many lives.

As we reflect on the season, there is much to be proud of. Despite the challenges we faced, our club continued to grow, compete, and move forward together. The resilience shown across every level of the programme is a testament to the culture we continue to build as one united club.

To everyone who contributed to Devonshire Colts this season — our players, coaches, parents, volunteers, sponsors, and supporters — thank you for your dedication, sacrifice, and belief in what we are building together. Your continued support drives this club forward and inspires the next generation of athletes within our community.

The future of Devonshire Colts remains bright, and we look ahead with confidence, ambition, and pride as we continue striving for even greater success together.

Sincerely,
Zuri Darrell
President

TECHNICAL DIRECTOR'S REPORT

CHILDREN'S FOOTBALL (U5-U11)

Our Under-5 grassroots program remains a strong and stable entry point into the Devonshire Colts children's program, attracting both boys and girls as they begin their community club football journey. Although this year's Under-5 teams were younger overall, they enjoyed themselves, competed well, and showed encouraging promise. We aim to build on the squad numbers in the coming year.

The Under-7 program continued to thrive, focusing on building strong technical foundations, teamwork, and enjoyment of the game. It was a highly encouraging season, with Under-7 Orange delivering an outstanding performance by reaching the Athene Tournament final and qualifying for the knockout stage of the 2026 Kappa Classic. Under-7 Black also made tremendous progress throughout the season, finishing with great enthusiasm, confidence, and promise for the future. The Under-7 squad numbers continued to grow throughout the season.

In the Under-9 Division, the club proudly fielded three teams this season—DC Wolves, DC Blacks, and DC Oranges. For the first time in our history, through a partnership with Wolves FC we were able to accomplish fielding three teams. This was necessary due to the number of kids registered for this age group. All three teams competed strongly, played exciting football, while dominating their divisions throughout the season. Their hard work was crowned by a thrilling Kappa Classic Championship victory, with Under-9 Orange holding their nerve in a dramatic penalty shootout to secure the title. It was a memorable accomplishment for the club and a well-deserved reward for the players' dedication and effort all year.

The Under-11 Division experienced a challenging yet highly valuable season of growth and development. Players adapted to the increased tactical and positional demands of the age group, as well as the transition to a larger pitch and 9-a-side football. Throughout the season, both teams grew in confidence, discipline, and overall understanding of the game. Despite the challenges, their progress was evident, and both players and coaches deserve recognition for their hard work, resilience, and commitment. The Under-11 Orange team also performed admirably by reaching the knockout stage of the 2026 Kappa Classic.

YOUTH FOOTBALL (U13-U18)

Our Under-13 team enjoyed a highly successful season under the experienced leadership of Coach Quinton Jones, finishing in the top half of the league standings while continuing to grow technically and tactically throughout the year.

The highlight of the season was undoubtedly the team's historic UK Tour, which marked the first overseas tour for a Devonshire Colts youth team in over 12 years. The experience provided invaluable exposure both on and off the field, allowing players to compete in a new environment while gaining important life experiences and football development opportunities. The growth, maturity, and confidence shown by the players throughout the tour reinforced the importance of continuing to create these meaningful opportunities for our young athletes.

Our Under-15 squad also demonstrated tremendous character and growth throughout the season. After a challenging start to the campaign, the team continued to improve steadily as they adapted to the demands of higher-level youth football competition. Under the leadership of Coach Famous, the players displayed resilience, sportsmanship, and determination while continuing to develop the qualities necessary to compete at the next level.

GIRLS PROGRAMME

This season represented another major step forward for the Devonshire Colts Girls Programme. In just our second year of Under-7 football and first year of Under-9 football, we witnessed tremendous growth both on and off the pitch. Most importantly, the girls continued to build confidence, develop friendships, and strengthen their love for the game.

The Under-7 girls enjoyed an exceptional season, capturing the BFA Tournament Championship and finishing as runners-up in the Kappa Classic. Their teamwork, effort, determination, and improvement throughout the year were outstanding and a testament to the positive culture being built within the programme.

The Under-9 girls also enjoyed a fantastic inaugural season together. The team secured its first victory in the BFA Tournament and made an impressive run to the semi-finals of the Kappa Classic. Week after week, the players demonstrated noticeable growth in confidence, teamwork, technical ability, and understanding of the game.

Overall, the Girls Programme experienced a season filled with progress, memorable achievements, and exciting milestones that everyone involved should be extremely proud of. We are excited to continue building on this momentum as we look ahead to expanding the programme into the Under-11 age group next season, creating even more opportunities for girls football within Devonshire Colts.

CLOSING REMARKS

Overall, the 2025–2026 season was one of significant growth, determination, development, and success across all areas of the club. The progress made by our players, coaches, and programmes continues to reflect the strong culture and vision of Devonshire Colts.

We would like to extend our sincere gratitude to all players, coaches, parents, volunteers, sponsors, and supporters for their dedication and continued commitment throughout the season. Your support plays a vital role in the continued success and growth of our club, and we look forward to building on this momentum in the years ahead.

Respectfully,

Eurique Wilkin
